

Nebraska OverDrive – Borrowing eBooks

First Generation & Simple Touch NOOK

Initial Setup:

1. On a computer go to <http://nebraska.lib.overdrive.com> (or www.valentinelibrary.org and click on “Overdrive” in the upper left corner of page).
2. Scroll to the very bottom of the screen and click on “Applications”. Click on “Adobe Digital Editions”.
3. Click on “Download now” and then on Mac or Windows installer.
4. With the Adobe Digital Editions open, plug the NOOK into the computer using the USB cord.
5. A dialog box may open asking you what you want to do with your NOOK now that it’s plugged in. You may close that box by clicking on the red X in the upper right-hand corner.
6. Click back to Adobe Digital Editions.
7. You will be prompted to authorize the device with an Adobe ID. Follow the instructions to either enter your Adobe ID or to sign up for one.
8. There should now be a NOOK folder on the bookshelf in Adobe Digital Editions.

Checking out eBooks:

1. Plug the NOOK into computer using the USB cord.
2. On the computer go to <http://nebraska.lib.overdrive.com> (or www.valentinelibrary.org and click on “Overdrive” in the upper left corner of page).
3. On the OverDrive Libraries site, click on “sign in”. Choose Valentine Library from the drop-down menu and enter your library card number and your phone number with **no hyphen** in PIN.
4. Find an available book in ePub format and click on “BORROW”.
5. Click “DOWNLOAD” and choose ePUB format.
6. Press “CONFIRM & DOWNLOAD”.
7. In the dialog box that opens, click “Open with Adobe Digital Editions”.
8. The book will download into Adobe Digital Editions. When finished downloading, drag the borrowed book to the NOOK bookshelf.
9. After the book has finished transferring, unplug the NOOK from the computer.
10. On the NOOK, navigate to “My Library”.
11. Select “My Documents” or “My Files” and then select the “Digital Editions” folder.
12. Select your book and start reading.

Returning eBooks early (optional; will return automatically at end of lending period):

1. On your computer, open Adobe Digital Editions.
2. Plug the NOOK into the computer using the USB cord.
3. In Adobe Digital Editions, click on NOOK folder.
4. Hover your mouse over the book you want to return.
5. A small arrow will appear above your book. Click on this small arrow and a list of “item options” will appear.
6. Click “Delete item” and then unplug the NOOK from the computer.
